

YRH: Nylon Chain Report 2014 Market Overview, Size, Share, Analysis, Technology Developments, Development Status, Trends, Structure, Production Value and Forecast Research Report

Summary

This “Nylon Chain Report: 2014” contains more than 118 pages packed with up-to-date ‘not easy to find’ statistics and objective analysis of the trends and recent development of the polyester Industry. It covers the entire nylon value chain beginning from feedstock benzene down to nylon fibre and filaments. The Report presents tabulation and graphical presentation of trends in demand and supply of nylon chain region-wise and country-wise from 2008 to 2013.
